We will be using the platform of a coffee house as creative access for building relationships, hosting Bible studies and church services, impacting the community through compassion and outreach. The coffee house sits across the street from two college campuses with a total of 100,000, so it's an amazing opportunity to reach young adults. We will also be working to prevent human trafficking and helping girls who have been rescued find restoration.

Prayer Requests

Peter and Courtney are right in the middle of the ongoing refugee crisis in Greece. They have weekly opportunities to minister to these people through feeding programs and are able to help them avoid the trap of sex trafficking. Please pray that through this outreach, many will come to a knowledge of Jesus Christ.

Ministry Focus

Most people who choose to become Christians will do so before graduating from High School. In fact, research tells us that 8 out of 10 Christians make their commitment to Christ before the age of 18. So not only is the public school system the largest mission field, it is also the most strategic. Engaging this mission field is the calling of Youth Alive.

Established in 1979, Youth Alive (YA) is helping reach the campus community. This esteemed ministry provides practical initiatives, strategies, resources and consultation for students, leaders and churches today.

Prayer Requests

We are earnestly seeking financial partners to help fund this great mission. Perhaps you have a burden for the school system, but are unable to personally be engaged. Perhaps you simply believe in us and the call God has placed upon our lives. Your prayer and financial support will continue to enable us to effectively minister the gospel to schools. Together we can make a lasting difference to see lives changed for the kingdom of God. Thank you for considering our ministry as a part of your prayer and financial giving.

Ministry Focus

Delmarva Teen Challenge exists to bring hope to every man and woman so that can choose to live free from addiction. The Adult Programs are successful in assisting individuals to find freedom from life-controlling problems as we proclaim with both our lips and our lives God's great and glorious love. It is love alone that can break the hardest of hearts and lead to a life of obedience and service.

At Teen Challenge, Christ-centered teaching is at the heart of what we do. Through the preaching and teaching of God's Word, we aim to lure people away from the fleeting pleasures of sin into ever-increasing joy in God as we make known the supreme beauty of Christ crucified and risen again.

We believe teaching faith in Jesus Christ instills a new nature and alters the behavior that allows the entire person to heal. Teen Challenge firmly believes, and results show, that an individual establishes a personal relationship with Jesus Christ if he wishes to find permanent freedom from life-controlling issues. This central spiritual dynamic is the foundation upon which all aspects of the Teen Challenge program are built.
