Our Current Series - THE HAPPINESS MYTH: The Book of Judges

The Book of Judges is about a group of people who are having to decide FOR THE FIRSTTIME if they want to fully obey God now that they are in a situation where they don't NEED TO obey Him. The Book of Judges is about a group of people who aren't desperate anymore. To them, God's way seems unreasonable and they are starting to believe that HAPPINESS is found in their own personal freedom.

This book explores the darkest days of Israel's history because they believed something that wasn't true - they believed the HAPPINESS MYTH. The Happiness Myth is a belief that "my way is the best way to be HAPPY."
